PAYING FOR YOUR CARE

As the practitioners are Delta Dental Premier Providers (except our Prosthodontists Drs. Hewlett, Shah and Wu), patients that are covered by Delta Dental will only pay their co-payment and any deductibles at the time of service and we will bill Delta Dental for the expected insurance portion. For all non-Delta Dental insurance plans, payment is expected at the time of service. The practice will bill your dental insurance electronically and any insurance payment due to you will be sent to you by your insurance company.
