Help Us Transform Smiles

Make a gift to support renovating the UCLA Children’s Dental Center
At UCLA Pediatric Dentistry, we take pride in providing exceptional care for our patients in an environment where children and their families feel confident and safe. For 48 years, the UCLA Children’s Dental Center has treated many of the most vulnerable patients in our community. For some patients, a visit to the Children’s Dental Center is their first dental experience. Thousands of happy families have benefitted from our services and hundreds of pediatric dentists have received their education here.

I invite you to reflect and consider how your UCLA education provided the knowledge and experiences that formed the foundation for the successes you enjoy today. Alumni cherish the academic and clinical experiences, and the life-long friendships developed at UCLA. Help us ensure that today’s residents and students have the same experience. Please consider making a meaningful gift to support a state-of-the-art dental home for our little patients at the UCLA Children’s Dental Center. The Center will be a special place for educating and training the next generation of pediatric oral health care providers.

Join me in supporting a bright future for the UCLA Children’s Dental Center!

Sincerely,

Daniela Rodrigues Silva, DDS, MS
Dr. Thomas K. Barber Endowed Chair & Chair of the Section of Pediatric Dentistry
The UCLA School of Dentistry Children’s Dental Center serves as a dental home for many underprivileged and low-income patients and their families, providing treatment that would otherwise be unavailable due to their financial circumstances. Each year, the Children’s Dental Center administers nearly 6,000 pediatric patient visits. After receiving treatment at the Center, our patients exhibit a higher rate of school attendance, overall health, social inclusion, and self-confidence. These outcomes are particularly significant during an individual’s formative years.
To Give:

Contact the Development Office at (310) 206-6063 and ask for Mallory Gompert or Grace Delgado, or email mgompert@support.ucla.edu.

Naming Opportunities: (Pledges are payable over a maximum of five years. All gifts are tax deductible as eligible by law.)
